

GYMTOPTIP is designed to respect your privacy and does not collect, store, or process any personal information directly. However, please be aware that third-party partners, such as Apple, may collect data related to your usage of the app, as part of their services and platforms. This data collection is governed by their respective privacy policies, which may include information such as device details, app interactions, and analytics. We recommend reviewing Apple's Privacy Policy to understand how your data may be used and protected. You can find their privacy policy at:
